Angels (*Richard Smallwood*)

Through dangers seen and unseen, there's protection all around.
Under the refuge of God's wings, security is found.
For there are angels watching you to keep you in all of your ways,
keeping you from stumbling, so don't be afraid.
God's appointed angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.

(*Choir*) Angels watching over me. Angels watching over me

Unseen hands, guiding me, through my storm and through my rain.
Healing hands, holding me, through the darkness of my pain.
Wings of love encamped around me,
so I will not fear,
for I can feel their presence hovering near.
Nothing but... Angels watching over me. Angels watching over me

(*Choir*) Angels watching over me. Angels watching over me

All night, all day, angels watching over me my Lord.
All night, all day, angels watching over me.
All night, all day, angels watching over me my Lord.
All night, all day.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
Angels watching over me, angels watching over me.
