

“God’s on Your side” Mississippi Mass Choir

Choir:

Some days are weary

And you can’t see your way

Some nights are lonely

With no one to say

You make it

It’s only a test

You can take it

And don’t you think nothing less

So wipe the tears from your eyes

God’s on your side

Hold on don’t quit

God’s on your side

He can handle it

God’s on your side.
