CONFERENCE SESSIONS

SESSION I

Fighting Temptations

It looks SO GOOD, that brand new car, the latest television, the newest telephone. All of this sounds innocent. What about that other woman or man, the pornography, illicit television or song lyrics. Did you know that it's all a mechanism to tempt you away from your Godly marriage? During this breakout session of husbands and wives we will understand and create a plan to fight the temptations. SESSION LEADERS: Johnson, Lyons, Spruill, Allen, Adams

SESSION II

Armored for Battle

God's word has given us the ultimate plan to prepare for battle. During this sessions **couples** will learn how to practically apply each piece of armor for the success of their marriage. SESSION LEADERS: Fleming, Hamilton, Jackson

SESSION III

Standing Together in Victory

Let's take what we've learned in sessions I and II and put them together for a long-term battle plan. Together **couples** will learn techniques to create a marriage that is victorious! SESSION LEADERS: Payne, Poag, Croom, Walkers
